

A NOTE FROM JOY AND OUR ADMINISTRATION TEAM

Hi Everyone!

July is here! It seems like I was just writing to all of you and there was snow on the ground and below zero outside. I am sure that will be here quicker than what we think. So in the meantime let's soak up the sun and enjoy all the beautiful weather! I pray that all of you are healthy and staying safe through these unusual times. So much is happening in our world today. I know that through it all God has us in the palm of his hands. We have seen so much positive and goodness from people. We have weathered the storms together and the storms brought life, and rainbows. Yes there may be some debris that we have to clean up here and there, but that does not take away the splendor of the blessings we are given. Have a safe and Happy 4th of July!

God Bless,
Joy
